UNSTARRED QUESTION NO:7138
ANSWERED ON:11.05.2000
WATER POLLUTION UNDER SOUTH CENTRAL RAILWAY STATIONS
AMBATI BRAHMANAIAH

Will the Minister of RAILWAYS be pleased to state:

(a) whether bad sanitation has led to pollution of the underground water resources at the Railway stations under South Central Railways;

(b) If so, whether the Medical officers of the South Central Railway identified sources of impure water at the Railway stations;

(c) If so, the names of Railway stations where such inspections and tests have been done; and

(d) The steps proposed to start a campaign of sanitation and hygiene in the areas of South Central Zone?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI DIGVIJAY SINGH)

(a) No, Sir.

(b) & (c) Do not arise.

(d) South Central Railway is already doing special cleanliness Drives and Health Education Campaigns in addition to day to day station sanitation.
